Through him then let us continually offer up a sacrifice of praise to God, that is, the fruit of lips that acknowledge his name. Do not neglect to do good and to share what you have, for such sacrifices are pleasing to God. Hebrews 13:15-16

Volunteering one's service for the good of others (without compensation) is beneficial to our spiritual growth and the health of our community. Students should use this service to challenge themselves and to grow spiritually. Opportunities to serve can be close to home (ex. babysitting for family/friends, weeding the garden, etc.) and not a chore/job that is already expected of students. Opportunities to serve can be found in/through the church. There are also organizations in the community that could use students' help.

List each day and specific type of service along with the total hours worked. You must have a signature by the person who supervised the service performed.
