FROM OUR PASTOR

CATHOLIC APPEAL- Goal in sight: With three weeks remaining in this year's Annual Catholic Appeal, 284 families have pledged a total of \$52,183. The participation of 31% of our families has brought us within \$248 of our diocesan goal. Thank you to everyone who made a pledge or contribution. All who have yet to pledge your support, please consider doing so. Your gift will put us well on way to improve our parish audio system. Fr. Spishak and I are inviting every parishioner's effort to give as abundantly as your means permit. Thank you for your prayers and your generous support for the Annual Catholic Appeal and parish improvements.

JULY FOURTH We give thanks for our freedom and resolve to preserve and extend our respect for life, liberty, and the pursuit of human rights and the common good of God's family. We also welcome all visitors to our parish's most famous landmark: the Horseshoe Curve!

SERVERS APPRECIATION Altar Servers, please call the office or drop off at the rectory your family reservation for the August 1 Curve game. We need to give the Curve an approximate count by this Thursday. The altar servers are guests of the parish. Other family members can purchase a discounted grandstand seat for \$5.00. We must complete all reservations and cash by July 15.

MISSION CO-OP APPEAL

On the week-end of July 17-18 the Mission Co-Op collection will be taken up at all the Masses. Fr. Colvin Fernandopulle, a native priest from Sri Lanka will speak at all the Masses on behalf of the Diocese of Kandy-Sri Lanka. The diocese of Kandy is located in the central hill country of Sri Lanka, an island nation known for its tea. The diocese has a population of two million where only three and one half percent are Catholics who are spread over a wide area. The terrain being mountainous traveling presents a problem as vehicles take a heavy toll on rough roads. The majority of the Catholics in the diocese belong to the ethnic group called the Tamil Tea Plantation

workers. This socio-economic community is of Indian origin and are politically and economically a marginalized sector of the population. They live in "line room" which is a row of rooms in one long building. In a room of 10x20 ' a family would live, cook, sleep, convalesce, stack fire wood and keep domestic animals such as chickens. Their access to health care and education is limited. Malnourishment is prevalent especially in children. While ministering to their spiritual needs, the diocese has also initiated many self-help projects to improve the quality of life of the people. Various programs for village development, for youth, for women, for the elderly, for dying destitutes, for human rights, and for communications, help keep the commitment of the diocese in their social and economic upliftment. The Bishop, the 45 priests, the 225 religious and about 100 full time lay catechists invites you to join hands with them in their service to this little community in Sri Lanka. Your prayers and your generous financial assistance will help them in their missionary effort and supplement their meager and limited resources for which they will be very grateful. God will certainly bless your generosity

."IN DEFENSE OF LIFE"

It is our nation's Declaration of Independence we celebrate today. The fundamental truths of this foundational document, deeply challenged by today's culture, remain as ideals that must Constantly be renewed and defended. "We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of happiness..."

LITURGICAL REFLECTION...

One of the two processional songs begins the Mass. The opening song and procession help create an ambience of solemnity, a sense of oneness in Christ, and an awareness of the mystery being unfolded. The opening song should be one that everyone in the assembly is able to join in singing. On Sundays and holy days the procession of the priest celebrant and the other ministers through the congregation expresses visibly the unity and fullness of the assembly. A cantor enhances

the assembly's responsibility to join in the opening song. The raised voices of all gathered to celebrate the sacred mysteries reflect the unity of the redeemed through the sacrifice of the Lord.
